Planned by the Leaders of
Society in Washington.

The marriage of Miss Isabella Hagner, associated with the White House as social secretary during two Administrations, to Norman James, of Baltimore, which is taking place this afternoon at St. John's Church, is an event of great interest to society in Washington, where Miss Hagner's family have been prominent for generations. The ceremony will be performed at 4 o'clock in the presence of a small group of relatives and friends, who were invited by telephone.

Mr. James' two young daughters, Miss Margie James and Miss Amelia James, will be Miss Hagner's only attendants, and Hamilton Post, of Baltimore, will be best man. The Rev. Dr. Roland Cotton Smith, rector of St. John's, will officiate. The church is decorated with autumn leaves and cut flowers in autumn coloring.

The bride will be given in marriage by her brother, Dr. Francis Randall Hagner, and will wear a graceful afternoon gown of blue velvet, combined with blue chiffon. Her hat is a becoming model of blue velvet, made to match the gown and she will carry orchids and lilies of the valley. The Misses James will be gowned alike in dainty white frocks.

The date of the marriage was hastened by the illness of Mr. James' son, Charles, who is a student at Phillips' Exeter Academy, who has typhoid fever. Mr. James and his bride will go to Exeter immediately after the ceremony instead of taking the trip to California, which they had planned for their honeymoon. There will be no reception.

Mrs. Theodore Roosevelt, for whom Miss Hagner served as social secretary while Colonel Roosevelt was in the White House, and who is, moreover, her close friend, had planned to come to Washington for the wedding, but was unavoidably detained. Among the guests at the ceremony were Mrs. Francis Randall Hagner, Mr. and Mrs. Charles Hagner, Mr. James' brothers and sisters, Dr. Walter B. James and Henry A. James, Mrs. Allan McLane, of Chattanooga; Mrs. Francis Newton, of New York; Mrs. Harry White, of Cantonville, and Mrs. J. Hensley Johnson, Mr. and Mrs. John Sidney Webb and Mr. and Mrs. Charles C. Glover.

Mr. James said his bride will make their home in Baltimore, where he has extensive business interests.

Mr. Townsend's niece, Mrs. Franklin Townsend, known in musical circles as Ruth Townsend, will come to Washington this week to sing in concert with Oscar Seagle on Friday afternoon.

Mrs. Franklin Townsend was with Mr. and Mrs. Lawrence Townsend and Miss Townsend when they were guests of the Duke of Connaught, governor general of Canada, and the Duchess of Connaught, at Government House, Ottawa, Canada, in August. She is also the daughter of a delightful voice and her appearance Friday afternoon will be an event of social as well as musical importance.

Society Women Learn
Hair Curling Secret

"If your hair is straight, flat, dull looking, I need not ask if you long to possess perpetually wavy, light, fluffy, glossy tresses," says Gladys Coleman in Society World. "I'll tell you what to do. Tonight, after your hair has had its usual brushing, take a clean tooth brush, dip it in a saucer of pure liquid silverine, and run this through the hair from crown to tip.

"When morning dawns and you have yawned yourself out of your downy cot, you will have a real surprise, quite an agreeable one. Your hair will have a prettier and more natural-looking curl and lustre than it has ever had before—and there will be nothing sticky, greasy, or anything unpleasant about it. If you will get the liquid silverine from your druggist it will require no preparation at all, and four or five ounces will last for months. This is just the finest thing imaginable for the purpose."—Adv.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

If cross, bilious, sick, feverish,
or full of cold take
no chances.

"California Syrup of Figs"
can't harm tender stomach,
liver, bowels.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste. Liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat sleep or act naturally. Breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Fidgets, frets, frets. See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again. Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

Mrs. Hugh Mackay Davis will be at home at 100 Oak avenue, Takoma Park, from 2 to 6 this afternoon, tomorrow afternoon, and again on the afternoon of Thursday, November 11. Mrs. Davis was formerly Miss Rita Dunbar.

Mr. and Mrs. Joseph C. Meany, 1227 Addison street, Chicago, announce the engagement of their daughter, Ann, to Ernest de Koven Leffingwell, rector of St. Mary's School, Knoxville, Ill. The marriage will take place in Chicago in January. Miss Meany is a niece of J. McK. Morrow, of this city. Mr. Leffingwell was a member of the Baldwin-Ziegler polar expedition of 1901-1902 and of the Mikkelson-Leffingwell expedition to the north shore of Alaska in 1903.

HOT TEA BREAKS A COLD—TRY THIS

Get a small package of Hamburg Brest Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve, and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Adv.
